COLONEL HEIDRICK

Our Hand Is At Salute

On last Monday while Charles F. Heidrick, builder of the Cumberland & Manchester Railroad, was in Frankfort, Governor Morrow took occasion to make him an Aide-de-Camp on his staff and conferred upon him the title of Colonel. The Governor did this because of the splendid work accomplished by Col. Heidrick in Eastern Kentucky in building a railroad into the rich coal field which will eventually develop into a great mining district. In conferring this honor upon Col. Heidrick, Governor Morrow made a very beautiful speech in which he pictured the wonderful resources of Eastern Kentucky, now under development, reaching their fruition in the very near future when all the hills and valleys will resound with the hum of the wheels of industry. It is Colonel Heidrick's dearest hope that the Cumberland & Manchester railroad will soon be extended to connections with other railroads near Ashland, on the Ohio River, giving an outlet to the north, and be extended from Barbourville south to connection with the Cumberland Railroad at Artimus, which will be extended to Jellico giving a direct route to the south.

If our people would become really interested in this great enterprise and all pull together, it would soon be realized, making Knox, Whitley and Clay Counties one great industrial community where there will be more wealth than is now enjoyed by all Eastern Kentucky. It can be done and will be if Colonel Heidrick works as industriously at it as he did in building the Cumberland & Manchester road.

AN APPRECIATION

On behalf of the Barbourville High School I desire to thank most kindly Dr. George Murray Klepfer for his splendid address to the Senior Class on the eve of their graduation and also the Simms Band for the excellent music they furnished us on that occasion.

Cordially,
C. P. Caywood, Supt.

METHODIST LADIES AID

The Ladies Aid met at the home of Mrs. A. W. Hopper, May 19. Sixteen members were present and one visitor, Mrs. Archer. The hostess served delicious cake and cream. Next meeting will be at the home of Mrs. Hugh Miller, June 2.

MEMORIAL DAY SERVICE

Look elsewhere for the Memorial Day program to be held at the M. E. Church at 10:30 a.m. Tuesday, May 30. All ex-service men are asked to meet the boys at the Court House at 10:00 a.m. and for the afternoon service at the cemetery to be at the Court House at 1:30 in the afternoon. The National Guard will parade with them.

UNION COLLEGE NOTES

Arthur Delph spent Sunday in Corbin.

Professor Bancroft's S. S. class went to Dishman Springs picnic Saturday evening. Professor and Mrs. Hewes were guests of the occasion.

Miss Weeks and Miss Murphy chaperoned a group of the Juniors to Cumberland Gap.

Mr. and Mrs. Gross entertained at dinner Tuesday evening the following guests: Dr. Klepfer, Love Morris, Idamae Smith and Thelma Morehead.

Miss Weeks and Miss Taylor took the debating teams and friends to Bald Hill Saturday evening where they had a picnic supper, saw a glorious sunset and spent the evening watching the stars and learning to call some of them by name. Venus, Jupiter and Mars are glorious sights when the sky is clear.

Chapel on Wednesday morning will be long remembered. Dr. Smith of the Endowment force took the hour in charge and before noon the students and faculty pledged over \$20,000 to the Endowment Fund. It is expected now that the sum will go to \$25,000 easily. This shows that Union's student body is a loyal bunch of workers.

Marjory Brown entertained the college girls at her home Friday night.

Cecil White spent the week end with her grandfather at Tuttle.

Bob Blair and Sarah Cunningham spent the week end with home folks.

Miss Ruth Hyneman, who has been visiting Mrs. E. T. Franklin for the past month, has returned to her home in Indiana. Miss Hyneman expects to return to India in October.

Mary Michael and Jettie Stratton spent the week end with Vera Humfleet at Tuttle.

Dr. Franklin and the leaders of the Endowment work left Wednesday for Cincinnati where they will meet Dr. Hancher for further development plans.

We had a pleasant treat last Saturday morning when Opal Gray and Margaret Wilson gave a vocal duet in Chapel. Miss Gray wrote the words for the song and Miss Wilson composed the music. Union is developing some worthwhile talent.

Our baseball team returned Wednesday morning from Richmond where they won a victory to the score of 5 to 6.

THE EFFICIENT HELP

Obtainable in a small town makes the small town laundry service superior to the city laundries.

The personal supervision by the management makes the Barbourville Steam Laundry service the best in the state.

Nothing too fine or expensive to send to us either for laundry or dry cleaning.

SONG, INSTRUMENTAL MUSIC AND READINGS PLEASE AT U. C.

On Thursday night those who attended the recital given by Misses Mabelle Heger, Mildred Murphy and Mae Carter were certainly fortunate. The trio gave an exhibition of high class work that was very gratifying. The beautiful voice of Miss Heger, the fine expression work of Miss Murphy and the really magnificent playing of Miss Carter, assisted by Violet Humfleet, were something not often enjoyed in a town the size of Barbourville. Our citizens should turn out even in greater numbers to these affairs.

ARTEMUS GRADED SCHOOL

The school here closed May 12th after four nights of commencement. The program on Monday night as by the primary department with Mrs. Della Logan Brown, instructor. On Tuesday night, Mrs. John W. Hughes and Mr. W. G. Davis, instructors. On Wednesday night the recital, Mrs. Fay Johns Davis, director of music and expression. The closing was Thursday night when the principal features were the 8th Grade graduates and an excellent address by Rev. John Owen Gross, of Barbourville. The diplomas were presented by Mrs. Hughes.

Mr. Hugh Howard has been elected principal for next term to work with Mrs. Brown and Mrs. Davis. Trustees and many others say this is by far the best school ever taught here. The average attendance was 144 for a term of nine months—census reports 195 in the district. We predict a good foundation laid for another good school year. We certainly do regret to give up Mrs. Hughes for she taught so much besides books. She taught manners and duty toward God. She has a host of friends who never will forget her. The teachers are loved and respected by all. Here's wishing them a pleasant vacation.

ORCHESTRA

Music will be supplied for the regular Saturday night dances at Dishman Springs Hotel by an all home talent orchestra consisting of Miss Mary McDermott, violinist, Miss Catherine Dishman, piano, Charles Heidrick, banjo, Herman Parker, drums and Charles Owens, saxophone and acting director. The music furnished is of excellent quality and full of pep.

SOWDER

W. H. Sowder, who only recently moved from Muncie, Ind. to Stanford, Ky., died May 18th and was buried at Lancaster on Thursday, the 18th. He is survived by a wife, two sons and three daughters besides many relatives and a host of friends who mourn their loss.

HANEY

John R. Haney, 70 years of age, died at the home of his son, V. A. Haney, in Trooper Sunday morning. The remains were taken to Somerset for burial Wednesday accompanied by Mr. and Mrs. V. A. Haney and John Haney. One daughter lives in Denver, Colo., and a son in Detroit, Mich. V. A. Haney is the store manager for the Trooper Coal Company.

"MIKE" RICHARDS JOINS "AL" HERNDON

On Friday of last week "Mike" Richards, a pup but a few months ago but already grown into some sixty pounds of faithful dog, was run over by an auto on Dishman Street and died within a few minutes. After the accident Mike tried to get back to his mistress, Mrs. G. M. Richards, but before he could do so was called to the happy hunting grounds where good dogs in this life are rewarded with plenty of bones and all the other things that the faithful are entitled to. Al Herndon, who preceded him by a few days, was probably designated to show him to his new kennel and the two, in the shadowy land of peace, have doubtless exchanged notes of their experiences here and there since Al left Barbourville and Mike arrived in dog heaven.

AUTO GOES OVER CLIFF

While returning from a trip to Dishman Springs Wednesday morning, the Lawson skelter car in which Bill Hughes and Tip Hale were driving went over the side on Paint Hill and but for a brush pile into which the car ran Bill and his friend might now be explaining how it happened to a group of shadows over on the other side. Bill says the steering gear broke and autos, as with life, will not play the game unless the steering gear is in good condition. It is one of the laws of nature.

LUNCHEON-BRIDGE

On Friday afternoon of last week Mrs. Wm. H. Dishman entertained about thirty ladies at the Dishman Springs Hotel. Twenty-eight ladies partook of the delightful luncheon which was served in the dining room and then played several hands at bridge in the lobby.

The roads were in perfect condition and the hillsides never were lovelier than under the rays of the setting sun as the autos brought the guests home after a very enjoyable afternoon.

B. B. I. PRIMARY ENTERTAINS

The primary pupils of Mrs. C. E. Bunnell of Barbourville Baptist Institute, gave an entertainment on Monday night which included readings, tableaux and songs. The little folks did splendidly. About one hundred and fifty people were turned away as they could not get seats.

METHODIST CHURCH

The baccalaureate service of Union College will be at the Methodist Church at 11 o'clock. The Rev. Thos. B. Roberts, D. D., of Harlan, will preach the sermon. Dr. Roberts' subject will be God's Masterpiece. In the evening at 8 o'clock the annual Vesper service of the college will be on the campus in front of the Administration Building.

Sunday School convenes at 9:30 instead of 9:45. There will be no session of the Epworth League this week.

Owing to the fact that the Baptist Institute Baccalaureate service was held last Sunday morning the hour of the Episcopal service was changed to 8:30 a.m. Dr. J. J. Clopton, of Lexington, officiating.

BERMUDA GRASS FOR LAWN

J. A. McDermott is very busy between times these days setting out Bermuda grass to cover his yard around the new home. This yard is well supplied with trees and it is difficult to get a stand of grass but great results are looked for from this Bermuda which is a most persistent grower and makes a very smooth, tough surface. We believe Bermuda grass will become very popular for both lawns and pasture when once it is recognized in this section.

HIGH SCHOOL GRADUATION

The High School graduation exercises had the quality of being interesting Friday of last week.

Simms band, always obliging and always good, rendered its usual first class music. The salutatory by Miss Mamye Haun, a piano solo by Miss Effie Smith, a thoughtful little talk on "We Build the Ladder by which We Rise," by Miss Evelyn Russell and the valedictory by Thomas Hignite, excellently rendered, made up the sum total of class effort. All the participants deserve praise for their share in the program.

The treat of the evening was a delightful address by that best of good fellows, Dr. George Murray Klepfer, who has retained so much youth in his makeup that he can talk to youth in a way they can understand. A little nonsense mixed with the best of good sense, expressed in an optimistic strain, composed the talk that would be hard to beat anywhere and everyone enjoyed it.

That presentation of diplomas followed after a few well chosen remarks by Prof. C. P. Caywood and the benediction by Rev. A. A. Ford closed a pleasant evening.

Following is a list of the graduates:

Thomas Hignite, Mamye Haun, Bobbie Golden, Evelyn Russell, Zora Surgener, Edna Catron, Hatcher Miller, Henry Clay Cole, Ruby Lynch, William Jones, Effie Smith, Robert H. Cole.

LOGAN HOSPITAL

Mrs. McClellan, of Grays was successfully operated upon last Monday.

All the patients are convalescent. The new hospital building is beginning to take shape the brick walls gradually rising from the foundation.

SAD ACCIDENT

Eleanor Rose, the three years old little daughter of Judge and Mrs. C. G. Sproul, of Irvine, Ky., accidentally swallowed some strychnine last Saturday and in spite of every effort death resulted. Mrs. Sproul was formerly Miss Rose Parker, a native of Knox County, and taught in Barbourville High School for three years. The sympathy of the whole community goes out to Judge and Mrs. Sproul in their sad loss.

MISS HEGER'S PUPILS DISTINGUISH THEMSELVES

The pupils of Miss Mabelle Heger of Union College gave a song recital at Union Wednesday night which proved that the institution gives a fine training in vocal music. Miss Heger is a beautiful singer herself and what is more important in her position she knows how to teach others the art of singing.

HATTON

As we go to press we learn of the sudden death last night just before midnight of Mrs. Sallie Lyttle Hatton. Mrs. Hatton returned only last Monday from some days in Louisville where she went, accompanied by her niece, Mrs. Geo. W. Tye, for specialist treatment and apparently was much improved.

Mrs. Hatton was a woman of brilliant intellect and had a host of ardent admirers and warm friends.

The funeral is this afternoon at 2 o'clock.

CHRISTIAN CHURCH

Sunday, May 28, 1922

There will be no morning service on account of the Baccalaureate service of Union College at the M. E. Church.

Evening service at 7:30 o'clock.

EXCELLENT LECTURE

John W. Juett, D. D. S., of Eminence, delivered an excellent lecture on "France Before the War" at the Masonic Hall on Saturday evening with a few pictures showing the devastation caused by the war.

The lecture was delivered in fine style with many humorous touches which helped to make it more enjoyable. Those present were able to gather a good idea of the high civilization of France as well as the more humble life of the plain people and also the antiquity of some of its history.

The speaker congratulated the local lodge on opening its hall to others than Masons. Dr. W. C. Black introduced Dr. Juett in a happy manner.

WARNING: —AUTO SPEEDERS

This will serve notice that auto speeders will be arrested and fined. J. T. STAMPER, County Judge.
